Financial **Assistance Program**

Financial Assistance offers a percentage discount off the remaining balance owed by a patient.

Medical Hardship:

Total medical bills exceed 20% of household annual income.

Eligibility:

Based on total household annual income, up to 350% of Federal Poverty Level.

What Is Covered?

Financial Assistance covers medically necessary services and provides discounts as high as 100% off your balance!

Contact our Financial Navigators today for more information or an application:

907-235-0994
PFN@sphosp.org

How to Apply?

An application must be received in order to be considered for Financial Assistance. Patients can obtain a copy of the Financial Assistance application and submit it with the supporting documentation to our Financial Counselor or Financial Navigators.

The Financial Assistance Program application is available at multiple locations within the hospital, including the Front Desk, Financial Counselors, Financial Navigators and Registration.
